

Horseback Riding Liability Waiver

Casowasco Camp and Retreat Center

I, the undersigned, hereby agree, in entering horseback riding, to forever release and discharge the contracted stable, their personnel, all other participants, and all property owners whose property I may ride on or pass, from any and all loss whatsoever, which may arise out of or while in the care of the contracted stable or on their premises.

I fully understand the dangers of horseback riding being that horses can be unpredictable, they may bite, kick, or run for no apparent reason, and hold no one responsible for any damage or injury to either myself or my horse should any unfortunate injury be forthcoming. If insurance coverage is desirable, I understand that I will provide it, not the contracted stable or the owners.

I am signing below fully understanding this liability waiver, that riding horses is a high risk activity, and holding no one responsible for any injury to my child while at the contracted stable.
